

THE DRYWALL LIFTER
PANELLIFT® Accessories

**Panellift® Extensions
 Model 186 & 154**

Distributed By:

www.onesourcerental.com

Model 186

Max. reach 15'; Interchanges with standard telescoping sections.

Model 154

Max. reach 12.5'; Adds on to standard telescoping sections.

Panellift® Loader

With the Loader there is no more excessive lifting, bending, and back strain. A minimum lift of inches is the only requirement to pick up board at floor level.

The photos used in this brochure are for illustrative purposes only. Refer to appropriate "Panellift® Drywall Lift Model 138-2 Operator's Manual" for detailed instructions on the proper use and maintenance of the Panellift® Drywall Lift.
